

Trent Rhodes- BIO

Trent Rhodes is an autodidact, Career Coach, Writer & Educator. He empowers aspirants to become their highest self-image in personal and professional life. He challenges those aspiring to masterful mindsets to explore their potential through self-directed education.

Experienced in the Gestalt-style coaching methodology, he blends subconscious mind power, which he calls inner technology, with meditation, martial arts principles and word power in his educational platform called [MasterLearn](#).

As an educator, Trent writes extensively on life experience as the true classroom. His blog [CrownOfMind.com](#) and books provide learners with insight on how to guide one's education.

Trent achieved a bachelor's degree in marketing and master's in management. He received his coaching education in a 9-month program with Coaching for Transformation, a Law of Attraction Certification from the Global Sciences Foundation, and Etiquette Certification from IAP Career College.
